

WHAT YOU DON'T KNOW...

A guide to alternative thought, news sources, publishers, and so on

...on the Internet

Have you ever wondered what the TV news is not telling you? The words you read in the newspaper and the stuff you see and hear on TV are not the whole story. This sheet provides a start to alternatives to official news sources.

What is Indymedia?

The Independent Media Center is a network of collectively run media outlets for the creation of radical, accurate, and passionate tellings of the truth. We work out of a love and inspiration for people who continue to work for a better world, despite corporate media's distortions and unwillingness to cover the efforts to free humanity.
